Jalapéno Freddy

(By Sean Michael Sullivan - A.K.A. -
Little Juan O'Sullivan)

- 1 cup Juan O'Sullivan's Gourmet Salsa
- 1 cup Velveeta Cheese
- Tortilla Chips

Microwave and stir 'til melted. Serve with tortilla chips.

(Yes, this is a no-brainer. You can boil eggs, you too, can make Jalapeno dip. Just remember, Little Juan's says double-dipping is a crime, punishable by a hard day of labor on Juan's Pepper Farm.)
