

## Juan's Fresh Medium Heat Salsa Verde

(By Juan O'Sullivan)

This is the easiest sauce in the world to make. All you need is a blender or food processor and the following ingredients:

15 fresh tomatillos

2 cloves garlic

Salt to taste

1 fresh New Mexican Chile

4 fresh Jalapeno Chiles (use more if you like)

2 Tbsp. of chopped Cilantro

½ tsp of cumin or to taste

4 Tbsp. of Juan O'Sullivan's Salsa de Mesa Hot Sauce

Peel and rinse tomatillos, chop garlic, chop peppers, and place in blender. Add Salsa de Mesa, salt and cumin. Add Mexican Oregano if you like to use it. Blend to desired thickness. Chill and serve with chips or over grilled chicken. Like Salsa de Mesa, this Verde Sauce can be used on everything.
