

Some Senioritas Like It Simple

(By Staci Sullivan - A.K.A. -

- 1 cup Juan O'Sullivan's Gourmet Salsa
- 4 ozs. cream cheese
- Tortilla chips

Combine salsa and creme cheese. Microwave and stir until melted. Serve with tortilla chips.

(Yes, this is also a no-brainer. If you can make toast, you too, can make "Some Senioritas Like It Simple." Just remember, double-dipping is a crime, no matter what the recipe. And punishable by a hard day of labor at Juan's Pepper Farm.)
